

Workplace Harassment

In 2003, the United States Merit Protection Board estimated that harassment cost the U.S. government approximately \$164,000,000 (that's 164 million dollars!) a year. No wonder companies are working to be more proactive in preventing harassment.

But how do you prevent harassment from occurring? What sorts of policies should be in place? What should managers do to protect their employees? And if a complaint is filed, what will we do? All of these questions (and more!) will be answered in this two-day workshop.
